

CHRISTUS Schumpert Sutton Children's Hospital - Outpatient Clinic

Location:
Shreveport, LA

Completed:
May 2006

Services:
Pediatric Surgery, Pediatric Orthopedics, Pediatric

Size:
10,000 square feet

Scope:
The central goal of this project was to create a Children's Hospital for the community by renovating space in an existing Medical Center.

The new dedicated entrance features the main lobby with access to the rest of the Children's Hospital as well as the Main Facility.

The 10,000 square foot Outpatient Center is located adjacent to the main lobby of the new entrance. It is comprised of a large waiting room, access to the Healing Garden and 15 patient rooms including 2 orthopedic patient rooms equipped with casting sinks.
