

## Wall Center for Plastic Surgery

**Location:**  
Shreveport, LA

**Completed:**  
Under Construction

**Services:**  
Plastic Surgery Center  
Clinic  
Medi Spa

**Size:**  
14,000 square feet

**Program:**  
The physician ownership group proposed to combine the services of a clinic, medi spa, and surgery center under one roof. Mediterranean architectural elements were used to break down the scale of the building and provided classic and balanced exterior features.
